

“DILEMMA”- from Sixty Original Song Lyrics by Samuel Blankson

Dilemma

Verse1

He's been kind, to me since the day he first met me
Given me, all so many things that I needed
But the love, I craved most he couldn't fulfill that need
But you make my heart sing

You and I, thought we would be friends for a long time
But you say, I should make my mind up about us
Now I feel, I'll loose you if I do not choose it right
You or my boyfriend

Chorus

He loves me I love you
I want to keep both of you
I have to let him go
Cos I want to be with you

He loves me I love you
I want to keep both of you
I have to let him go
Cos I want to be with you

Oh Please
Never meant to come to this
Didn't wanna come to this
One of you hearts will end being broken
He's up on the top of the list
But I am wondering if
Is it right for me to desert him

Verse 2

Wish I could, just keep both of you and be happy
Feel I'll loose, something good that could have been for me
If I let, one of you go then I may never know
Don't want to regret this

Always want, always want to rush where my love is
But my mind, says long term I may have been wrong and
No more time, need more time to weigh all of my choices up
I'm still undecided

Chorus

He loves me I love you
I want to keep both of you
I have to let him go
Cos I want to be with you

He loves me I love you
I want to keep both of you
I have to let him go
Cos I want to be with you

Oh Please
Never meant to come to this
Didn't wanna come to this
One of you hearts will end being broken
He's up on the top of the list
But I am wondering if

“DILEMMA”- from Sixty Original Song Lyrics by Samuel Blankson

Is it right for me to desert him

Bridge

And your love keeps me wanting you more
Right now I must choose for sure
But he's been there for me every time now
I know that I must choose but I want both of you

Oh Please

Never meant to come to this
Didn't wanna come to this
One of you hearts will end being broken
He's up on the top of the list
But I am wondering if
Is it right for me to desert him?

Verse 3

Aint a crime, wanting more than one man in my life
But I guess that those men feel different about it
So I find, I can't have my cake and consume it all
A choice is expected

Still I wish, that choice was not mine to be making
Fear to make the wrong choice and live to regret it.
Should I pick, the one I love and find irresistible
Or stick with my boyfriend?

Chorus

He loves me I love you
I want to keep both of you
I have to let him go
Cos I want to be with you

He loves me I love you
I want to keep both of you
I have to let him go
Cos I want to be with you

He loves me I love you
I want to keep both of you
I have to let him go
Cos I want to be with you

He loves me I love you
I want to keep both of you
I have to let him go
Cos I want to be with you

He loves me I love you
I want to keep both of you
I have to let him go
Cos I want to be with you

He loves me I love you
I want to keep both of you
I have to let him go
Cos I want to be with you
