

# “FANTASY”- from Sixty Original Song Lyrics by Samuel Blankson

## Fantasy

### Verse 1

Look into your eyes  
I feel so hypnotized  
When I see you smile  
Desire takes over me

When I fantasize  
Your always by my side  
When I sleep at night  
I dream of being with you

You're the only one for me  
And I wanna be with you  
You're all my dreams come true  
Got me feening over you

### Chorus

You got me fantasizing being your girl  
The way you got me feeling is unreal boy  
Got me smitten since the first time I saw you  
Now I wanna be with you

Got no time for coming over hard to get boy  
Your all that's playing on my mind and  
The way you look so fine now  
I just wanna get with you

### Verse 2

Standing by my side  
I feel your body heat  
Tempted to say hi  
And let you know just how I feel

Gotta keep my cool  
And let you make the move  
Know exactly what to do  
I turn and say to you

You're the only one for me  
And I wanna be with you  
You're all my dreams come true  
Got me feening over you

### Bridge

And the love I have inside  
I hope my fantasies come true  
When I see you in the club  
I want no other man but you

When you turn to look my way  
I feel my heart beat start to race  
And when you smile at me  
I melt inside with love for you

### Chorus

You got me fantasising being your girl  
The way you got me feeling is unreal boy  
Got me smitten since the first time I saw you
