

“HOLD ME TONIGHT”- from Sixty Original Song Lyrics by Samuel Blankson

Hold me tonight

Chorus

Hold me tonight
And I won't put up a fight
If you hold me tight
Hold me in your arms
Make me feel right
And I'll be in heaven if you
Love me tonight

Verse 1

When I'm near you baby
I feel good
When I see you smiling
I smile too
When you face looks sad
I start to cry
Cos I feel for you
Deep inside

Chorus

Hold me tonight
And I won't put up a fight
If you hold me tight
Hold me in your arms
Make me feel right
And I'll be in heaven if you
Love me tonight

Verse 2

When we come together
Stars shine bright
Loving each other forever
Through the night
You're my soul mate baby
Glad your mine
My loving is here for you
All tonight

Chorus

Hold me tonight
And I won't put up a fight
If you hold me tight
Hold me in your arms
Make me feel right
And I'll be in heaven if you
Love me tonight

Bridge

Waiting all night long
For you to come round
Longing to be held
Like this boy for a while

“HOLD ME TONIGHT”- from Sixty Original Song Lyrics by Samuel Blankson

When I'm in your arms
Nothing can go wrong
You're standing at my door
I can not wait no more

Baby bring your
Loving touch
It's what my body craves
I want your loving tonight
So baby don't delay

Hold me touch me
Squeeze me tight
Make my body sway
Cos the night is all so young
And I need your loving full on

Chorus

Hold me tonight
And I won't put up a fight
If you hold me tight
Hold me in your arms
Make me feel right
And I'll be in heaven if you
Love me tonight

Chorus

Hold me tonight
And I won't put up a fight
If you hold me tight
Hold me in your arms
Make me feel right
And I'll be in heaven if you
Love me tonight

Chorus

Hold me tonight
And I won't put up a fight
If you hold me tight
Hold me in your arms
Make me feel right
And I'll be in heaven if you
Love me tonight
