

**“STOP BREAKING MY HEART”- from Sixty Original Song Lyrics by  
Samuel Blankson**

**Stop breaking my heart**

**Chorus**

Stop breaking my heart  
Cos the hurt that I am feeling  
Cos the hurt that I am feeling  
Stop breaking my heart  
Cos the hurt that I am feeling  
Cos the hurt that I am feeling

**Verse 1**

You came into my life  
And promised me the world  
Expenses clothes,  
Diamonds and pearls  
All I wanted was love  
That's all I needed  
And I pleaded with you  
For your time and your heart  
You can take your furs and rings, but

**Chorus**

Stop breaking my heart  
Cos the hurt that I am feeling  
Cos the hurt that I am feeling  
Stop breaking my heart  
Cos the hurt that I am feeling  
Cos the hurt that I am feeling

**Verse 2**

You made it clear  
From the very first start  
That you had some fears  
Of being hurt again  
But all I wanna do is  
To love you, and hold you,  
caress you and hug you  
And give you all you need  
Baby baby please yes

**Chorus**

Stop breaking my heart  
Cos the hurt that I am feeling  
Cos the hurt that I am feeling  
Stop breaking my heart  
Cos the hurt that I am feeling  
Cos the hurt that I am feeling

**Bridge**

When you came into my life, boy you gave me so much joy  
Now it seems you wanna just hurt me  
Baby don't do me this way cos my heart still feels the same  
So please stop the pain and come right back to me

**Chorus**

Stop breaking my heart  
Cos the hurt that I am feeling  
Cos the hurt that I am feeling  
Stop breaking my heart  
Cos the hurt that I am feeling
